Melbourne,

24th April, 1944.

The Headmaster,
Scotch College,
Hawthorn.

Dear Sir,

Upon the return of Wesley College to its own school buildings, the Methodist Conference once again desires to extend to the Council, the Headmaster and Staff, and the Boys of Scotch College, its sincere thanks for the hospitality extended to Wesley during the past two years. That the School was able to pass through such a period of upheaval without injury to its essential life, but rather was enabled to gain in strength, is in no small measure due to the generous and self-sacrificing action of Scotch College.

We believe that the spirit of goodwill and co-operation thus engendered will have permanent and beneficial results in the drawing of our two Churches closer to the goal of union.

On behalf of the Conference,

We are, Sir,

Yours faithfully,

W. Williams

President.

John A. Smith

Secretary.
