

JOIN OSSO

OSSO was founded in 2013 after the Scotch College Symphony Orchestra's Europe Tour, bringing together a strong cohort of graduates and Old Boys through their love of music. Since our inception, our players have not just been limited to Scotch alumni- we have eagerly welcomed musicians and supporters from the community, with players and audiences joining us from all over Australia.

As we go on after graduation, it is integral that we have an opportunity to continue playing our instruments and make music together. Music plays such an integral part in our lives, and it is our vision that OSSO fosters an exciting and inclusive environment for all to create and enjoy music together.

If you are interested in playing with us or receive more details of our next concert on **24 March 2024**, please scan the QR code here and fill in the form.
